BIBLE VERSE OF THE MONTH

"...Let your light shine before others, that they may see your good deeds and glorify your Father in heaven."

-Matthew 5:16

... Guest editorial

We praise God for leading us into the second month of the New Year. The prediction of Mayan calendar declaring the year 2012 as 'doomsday' has caused much alarm and unrest in the minds of many. However, as for believers who hope in the second coming of Christ, we rest in His assuring promises and carry on the good fight in all walks of our lives.

The year 2012 presents to us milestones of God's leading in various fields in our society. Women fellowship's ten years since its inception, KSOD's twenty fifth year of its service to the society and AROMA's ten years of spreading its fragrance, all flow from the abundant grace and faithfulness of our Heavenly Father. As we gaze at all these glorious moments, let us take time to ponder on the quality of the years that have taken us to these milestones, what is the amount of harvest that we have reaped so far and also what are our driving visions to the years ahead of us. It is our prayer and belief that with His ever increasing love and faithfulness, we will take greater leaps and scale greater heights. We would like to be reminded of the words of the one who said, "I am the light of the world" calling us "the light of the world". May our light ever shine brighter that the world may see the beauty and glory of the One who gives us the very light in us.

As we get moving in this New Year, we would like to end with a quotation from the writings of Agapi Stassipoulos:

May we embrace the opportunity of this New Year, recommit to ourselves and our visions, rekindle our enthusiasm, have the wisdom to let go of what no longer serves us and find the courage to claim our strengths. Let's fill our hearts with gratitude for the miracles of our lives. My prayer for this year is that not one ounce of our precious energy be wasted in anything less than the positivity of who we are, and how much good we can do and offer to the world. No matter how big the challenges, grace is always mightier.

Dear Aroma,

First, my heartiest congratulation on completing ten years...

It is indeed a pleasure to be informed about this happy occasion. I'd like to take this opportunity to go with you on a flashback and retrieve those memories which were significant to a young churchgoing girl ten years ago. You were then, I remember, a one-sheet edition; yet there was so much a promise of hope for growth. Slowly you crept into the lives of the KWSD community and remain indispensable to their worship.

Through you I've had the chance to read about the joy of serving God, and many powerful testimonies of both my seniors and contemporaries from whom I benefitted! You were there to bring good news to the community and yet never forget the griefs of its members. News and testimonials filtered in through you and we'd learn how to communicate: you bring our lives closer to one another and to God. You are a platform for me and for others to share our thoughts on God and the worshiping community! And today I can see that your pages has increased; the editorial team has switched hands, but one thing I can always be sure of - your banner and your colour do not change! I can see that you will continue to perform your role steadily and faithfully. Well, there's a great many more I wished to express but perhaps I'll keep them for further correspondence.

Once again, here's wishing you the very best for many years to come. May you continue to touch lives, and may you always be an Aroma for the faith of the worshiping community!

My best regards,

One Day Youth Programme: A Report

The Youth Department of KWS Delhi organized a one day youth programme for the spiritual growth of the youth and to impart necessary knowledge for their day-to-day living on 28 January 2012 at the Apostles' Methodist Church, R.K. Puram Sector IV. The event was a success, seen from the enthusiastic participation of over 250 members. We thank the Almighty God for the successful conclusion.

The Resource person for the first session Rev. Kh. Khaizakham spoke on the topic - **Christian Youth: In the family, church and society**. He focused on the importance of church members particularly the youth to be a part of a-

(i) Visible church: the need to participate and be visible members of a visible organized church structure

(ii) Invisible church: the need to be personally born again and continuous spiritual growth.

Another highlight of his message was the emphasis to be 'Salt' and 'Light' in the society. We are God's messengers on earth and called to be his witness. Our actions in the society reflect our beliefs, and as such we should try and act in accordance with God's words. It is imperative that we know we are the 'Fifth gospel'- a gospel that everyone reads before they read the four gospels of the Bible, Rev. Khaizakham exhorted the youth.

The second session on **God's in life and his will in relationships: Love and Marriage**, was taken up by Rev. Dino L. Touthang, the resource person for the second session. He structured the topic broadly as:

- (i) Christian marriage, and
- (ii) Finding God's purpose in our life

On Christian marriage, he spoke about the purpose of marriage as designed by God. As per God's plan, marriage is for fellowship, partnership, propagation of the human race and obeying his command. We need to think carefully over these plans before we take a step towards marriage, he said. Rev. Dino also stressed on the importance of finding God's purpose in our life. It is through the knowledge of our purpose in life that we can make decisions for our future. As young people, we should focus on God's plan and purpose in life.

The programme was of great benefit to the youth-physically and spiritually. Also, apart from the meaningful sessions the members enjoyed themselves with the programme which had songs & skits, lunch and snacks. We hope that the messages will remain in the minds of the youth, not only for the time being but even in the days to come, as a guiding light.
